MEMO

Date: 1/5/2021
To: Yavapai County Workforce Development Board
From: Teri Drew, Executive Director
Subject: Steve Silvernale

We are deeply saddened to have heard that our friend and colleague, Steve Silvernale, passed away on New Year's Eve, 2020. I am grateful for the many years of service that Steve contributed to this Board, including 13 years on the Executive Committee, and two years of service to the Governor's Workforce Arizona Council.

Steve was never shy about extending his friendship to those around him – his friendship has been a valued treasure of mine, and I'm sure most all of you who knew him feel the same way. He was always ready to offer sincere encouragement in tangible ways, both to the workforce development clients he partnered with in his business and to his fellow Workforce Development Board members. His strong advocacy for personal success is a part of his legacy.

Thank you, Steve – you will be greatly missed!
